RMDS PRINTING PROBLEMS USING OPTION 1 (NETWORK PRINT)

Users have reported RMDS printing problems when using Option 1 on the SEND REPORT PAGES screen. Some of the reported problems are:

1. Font size changes, and

2. Loss of landscape format

Staff are working on this problem and expect to have it corrected shortly.

In the meantime, if you are experiencing these problems, please change your RMDS Select Option to **OPTION 2 (BATCH PRINT)** as described on the next page.

When using Option 2 on the Send Report Pages screen, enter 2 after SELECT OPTION, specify PAGE RANGES and press <ENTER> to see the BATCH PRINT OPTIONS screen.
